General Instructions

Who Must Use Form 120S

Corporations taxed as S corporations under Subchapter S of the Internal Revenue Code (IRC) must file Form 120S. Qualified subchapter S subsidiaries are not treated as entities separate from the parent corporation and would be included on a single Form 120S filed by the parent S corporation.

Disaster Relief for Out-of-State Businesses

If an out-of-state business is in Arizona on a temporary basis solely for the purpose of performing disaster recovery from a declared disaster during a disaster period, it may not be required to file, remit, withhold or pay state or local income tax. See the department's publication, Pub. 720, *Disaster Recovery Tax Relief* to determine if the taxpayer qualifies for this relief.

Entity Classification Under the Federal "Check-the-Box Rules"

The federal tax classification of an entity under the federal "check-the-box rules" determines the entity's classification for Arizona tax purposes. Refer to the department's ruling, CTR 97-1, *Federal "Check-The-Box Rules" on Elective Tax Classification*.

Limited Liability Companies

A limited liability company (LLC) that makes a valid federal election to be taxed as an S corporation must file Form 120S.

A single-member LLC that is disregarded as an entity for federal income tax purposes is treated as a branch or division of its owner, and is included in the tax return of its owner. Refer to the department's ruling CTR 97-2, *Limited Liability Companies*, for further information.

Nonprofit Medical Marijuana Dispensary

A nonprofit medical marijuana dispensary (NMMD) is exempt from Arizona income tax. Refer to Arizona Revised Statutes (A.R.S.) § 43-1201(B). If the NMMD makes an election pursuant to subtitle A, chapter 1, subchapter S of the IRC, it must file Arizona Form 120S to meet the filing

requirements of A.R.S. § 43-1126. However, no Arizona income tax is due from the S corporation, even if the S corporation is subject to tax at the federal level. Shareholders are subject to Arizona income tax on the flow through from the S corporation.

Records

Every S corporation should maintain books and records substantiating information reported on the return and keep these documents for inspection. Refer to the department's General Tax Ruling (GTR) 96-1, *Electronic Data Processing* for more information about record retention requirements.

IRC § 7519 Required Payments

Taxpayers cannot deduct the federal required payments on their Arizona tax returns as an ordinary and necessary business expense or otherwise.

Rounding Dollar Amounts

Taxpayers must round amounts to the nearest whole dollar. If 50 cents or more, round up to the next dollar. If less than 50 cents, round down.

Examples:

Company A (A) reports federal taxable income of \$15,000. A has no Arizona additions to, or subtractions from, federal taxable income. Its apportionment ratio is .326954. A multiplies the federal taxable income by the apportionment ratio. The result is \$4,904.31. Company A rounds the result to \$4,904.00.

Company W (W) reports a federal taxable loss of (\$27,000). W has no Arizona additions to, or subtractions from, federal taxable income. Its apportionment ratio is .005946. W multiplies its federal loss of (\$27,000) by the apportionment ratio. The result is an Arizona loss of (\$160.54). Company W rounds the result to (\$161.00).

Company Z (Z) reports a federal taxable loss of (\$500). Z has no Arizona additions to, or subtractions from, federal taxable income. Its apportionment ratio is .075000. Z multiplies its federal loss of (\$500) by the apportionment ratio. The result is an Arizona loss of (\$37.50). Company Z rounds the result to (\$38.00).

Extension of Time to File a Return

- A request for an extension of time to file an Arizona corporate income tax return **must** be submitted by the original due date of the return.
- **The department may grant an extension request for a maximum of six months.**
- The extension request can be made by filing a federal extension request, or by filing an Arizona extension request, Form 120EXT.
- The department will accept a valid federal extension for the same period of time covered by the federal extension.
- If the original return is filed under extension, do not include a copy of the extension with your return. However, make sure to check the extension box, 82F, on page 1 of your return.

- Form 120EXT must be used to transmit extension payments by check or money order regardless of how you request an Arizona extension (valid federal extension or Form 120EXT).
- If you made extension payments over the Internet, you are not required to file Form 120EXT unless you are requesting an Arizona filing extension.
- The Arizona extension and the federal extension provide an extension of time to file, they do not provide an extension of time to pay tax.
 - You must pay 90% of your tax liability (including the \$50 minimum tax) by the original due date of your return.
 - The department imposes the extension underpayment penalty on any late or underpaid extension requests.
- See the department's ruling, CTR 01-3, *Extensions*, for additional information.
- Submit the extension request to the department electronically or by mail to the address shown on the form.

Timely Filing of Returns

- The department determines the timeliness of a tax return by the postmark or other official mark of the United States mail stamped on the envelope in which the return is mailed. See the department's ruling, GTR 16-1, *Timely Filing of Income or Withholding Tax Returns Through the United States Mail*.
- The Department will accept proof of mailing from a private delivery service included in the Internal Revenue Service (IRS) list of designated private delivery services. Contact the private delivery service for information regarding how to obtain written proof of mailing.
- If the due date for the return falls on a Saturday, Sunday, or a legal holiday, the return is considered timely filed if it is postmarked the next business day. See the department's ruling, GTR 16-2, *Timely Filing of Income or Withholding Tax Return – Holidays and Weekends*.

Electronic Filing of S Corporation Income Tax Returns

Electronic filing of Arizona S corporation income tax returns is required for the 2020 taxable year. Please see the department's website at <https://azdor.gov/> for a list of approved software vendors.

Any S corporation taxpayer who is required to file its income tax return electronically may apply to the director for an annual waiver from the electronic filing requirement. The waiver may be granted if any of the following apply:

- The taxpayer has no computer.
- The taxpayer has no internet access.
- Any other circumstance considered to be worthy by the director.

Waivers are granted on an annual basis and expire at the end of the requested tax year. Waivers must be renewed each calendar year. If a waiver is not renewed, you will be subject to statutory electronic filing and payment requirements at the expiration of your waiver.

A waiver is not required if the C corporation income tax return cannot be electronically filed for reasons beyond the taxpayer's control, including situations in which the taxpayer was instructed by either the Internal Revenue Service or the Arizona Department of Revenue to file by paper.

Please contact the department at azefile@azdor.gov if you need assistance in electronically submitting your Arizona S corporation income tax return.

Filing Original Returns

- Returns are due by the 15th day of the 3rd month following the close of the taxable year.
- An S corporation filing a short-period return must file the return by the 15th day of the 3rd month after the short period ends.
- If the S corporation has a valid federal or Arizona filing extension, the return is due by the extended due date. If the due date for the return falls on a Saturday, Sunday, or a legal holiday, the return is considered timely filed if it is postmarked the next business day. See the department's ruling, GTR 16-2, *Timely Filing of Income or Withholding Tax Return – Holidays and Weekends*.
- The return must be signed by one or more of the officers of the S corporation (President, Treasurer, or any other principal officer).
- Do not submit a blank Arizona return with a copy of the federal return. S corporations must:
 - Furnish complete data,
 - Answer all questions on the return,
 - Complete all applicable schedules, and,
 - Include all appropriate supplementary schedules.
- The department requests that S corporations include a copy of their "as-filed" federal Form 1120-S and all its schedules and attachments with their Arizona return.
- Submit the return to the department electronically unless the S corporation has been granted a waiver pursuant to A.R.S. §43-323(F), or has been directed to file a paper return by the IRS or by the department.

Taxable Year Covered by Return

The S corporation must have the same taxable year for Arizona purposes as it has for federal purposes.

File the 2020 Form 120S for calendar year 2020 and fiscal years that begin in 2020 and end in 2021. Indicate whether the taxable year is a calendar year or a fiscal year. If the return is for a fiscal year, indicate the beginning and ending dates for the year in the space(s) provided at the top of page 1.

The 2020 Form 120S can also be used if the corporation has a tax year of less than 12 months that begins and ends in 2021, and the 2021 Form 120S is not available at the time the corporation is required to file its return. The S corporation must show its 2021 year on the 2020 Form 120S and take into account any tax law changes that are effective for tax years beginning after December 31, 2020. If submitting the 2020 Form 120S for a 2021 short-period return, submit a paper filed return. Do not submit this short-period return electronically.

Submitting Arizona Form 120S Schedule(s) K-1 and Arizona Form 120S Schedule(s) K-1(NR)

Schedules K-1 and K-1(NR) [Notice] are an integral part of the S corporation return. File one copy of each shareholder's Notice with the S corporation return. Provide each shareholder with a copy of their completed Notice. Retain a copy of each completed Notice for the S corporation's records.

For calendar year filers, check the box, "calendar year 2020." For fiscal year filers, check the box, "fiscal year" and enter the beginning and ending dates for the fiscal year. If this is a short-period return, indicate the beginning and ending dates for the short period.

NOTE: Complete Form 120S, Schedule K-1, for all resident and part-year resident individual shareholders, all resident estate shareholders and all resident trust shareholders. Complete Form 120S, Schedule K-1(NR), for all other shareholders.

S corporations filing their S corporation return electronically must submit Schedule(s) K-1 and Schedule(s) K-1(NR) to the department electronically.

S corporations filing a paper return may submit Schedule(s) K-1 and K-1(NR) to the department by paper or by using the optional reporting format. S corporations choosing to submit to submit Schedules K-1 and K-1(NR) using the optional format, see the discussion below.

OPTIONAL REPORTING FORMAT for Schedule(s) K-1 and Schedule(s) K-1(NR) required to be included with Form 120S: The department will accept a hard copy spreadsheet that contains all the requested information, or the information may be submitted on electronic media as a Microsoft Excel spreadsheet on a CD, DVD or flash drive (Optical Media). The document submitted on Optical Media must be Microsoft Windows compatible.

S corporations submitting the information on Optical Media should secure it in a hard case and include it with the tax return. The Schedule(s) K-1 and Schedule(s) K-1(NR) submitted on Optical Media are part of the income tax return and are subject to the sworn statement on the return that they are correct to the best of the signer's knowledge and belief.

The Optical Media should be labeled with the S corporation's name, employer identification number (EIN), taxable year and Form 120S, Schedule K-1/K-1(NR). S corporations may password protect the Optical Media and email the password separately to MediaLibrarian@azdor.gov. Include "Form 120S, Schedule K-1/K-1(NR)" in the subject line of the email. In the body of the email, include the same information that is on the label. If the Optical Media is password protected, include the email address the password originated from on the label of the Optical Media.

The department will not return or copy any media.

CAUTION: The S corporation substitutes the Optical Media at its own risk and understands that the information may need to be provided to the department again at a later date if it is not accessible by the department for any reason.

For additional information on electronic funds transfer, refer to A.R.S. § 42-1129 and the related Arizona Administrative Code rules (A.A.C. R15-10-301 through R15-10-307) for detailed information.

How to Make EFT Payments

S corporations making EFT payments must register with the department before their EFT payments may be accepted. **An officer of the corporation must complete the initial registration.**

Taxpayers may use www.AZTaxes.gov to make EFT payments:

- Electronic payment from checking or savings account/e-check/ACH Debit.

Payments can be made electronically from a checking or savings account. Go to www.AZTaxes.gov and choose the e check option. Follow the prompts to complete your registration.

There is no fee to use this method. This payment method will debit the amount from the specified checking or savings account on the date specified. If an electronic payment is made from a checking or savings account, a confirmation number will be generated. Please keep this confirmation number as proof of payment.

- Online credit card payment

Payments can be made by American Express, Discover, MasterCard, or Visa credit cards. Go to www.AZTaxes.gov and choose the credit card option. This will take you to the website of the credit card payment service provider. Follow the prompts to make your payment.

The service provider will charge a fee based on the amount of the tax payment. The service provider will disclose the amount of the fee during the transaction and you will be given the option to continue or cancel. If you accept the fee and complete the credit card transaction, a confirmation number will be generated. Please keep this confirmation number as proof of payment.

Taxpayers may also make EFT payment by ACH Credit.

To register to make ACH Credit payments, go to the department's website, www.azdor.gov. Click on "Forms", then click "Other Forms." Click on Form number 10366, Electronic Funds Transfer (EFT) Disclosure Agreement for ACH Credit filers. Click "Download." Complete the form as instructed. The payment will be electronically transferred into the department's account, normally the next business day. The corporation should consult with its bank for the timeframe required to make timely payments. **NOTE:** The corporation may be charged a service fee.

NOTE: *S corporations using a foreign bank account to make EFT payments cannot make EFT payments by ACH Debit. The department does not accept ACH Debit payments from a foreign bank account. If the S corporation wishes to make payment from a foreign bank account by EFT, the payment **MUST** be made by ACH Credit. See the instructions for ACH Credit above to register and make ACH Credit payments.*

Estimated Tax Payments

S corporations expecting an Arizona income tax liability for the taxable year of \$1,000 or more must make Arizona estimated income tax payments. All S corporations required to make Arizona estimated payments must make those payments by the 15th day of the 4th, 6th, 9th, and 12th months of their taxable year.

The estimated tax payment calculation should include any tax from the recapture of tax credits. This requirement applies whether or not the S corporation itself is subject to tax at the corporate level.

S corporations that fail to make the required estimated tax payments are subject to a penalty on any estimated tax payment which is late or underpaid.

The Arizona required annual payment of estimated tax for an S corporation is the **smaller** of:

- Ninety percent of the S corporation's Arizona tax liability for the *current* taxable year; or
- An amount equal to the sum of:
 - Ninety percent of the portion of the *current* taxable year's Arizona tax liability attributable to built-in gains income or certain capital gains income, plus
 - One hundred percent of the portion of the *prior* taxable year's Arizona tax liability that is attributable to excess net passive income.

NOTE: *For the S corporation to base its estimated tax payments on the tax liability described in B above, the S corporation's return filed for the prior taxable year must have been for a period of twelve months.*

Complete Form 120W to compute the estimated payments for 2021.

NOTE: *Taxpayers required to make corporate estimated payments via EFT that fail to do so are subject to a penalty of 5% of the amount of the payment not made by EFT. See A.R.S. § 42-1125(O).*

For additional information on electronic funds transfer, refer to A.R.S. § 42-1129 and the related Arizona Administrative Code rules (A.A.C. R15-10-301 through R15-10-307) for detailed information.

Making Estimated Tax Payments for 2021

S corporations making estimated payments for 2021 that expect a 2021 income tax liability of \$500 or more must make Arizona corporate estimated tax payments using the EFT program. See the Section *Payment of Tax Liability by Electronic Funds Transfer* on page 3 for details on making tax payments by EFT.

NOTE: *S corporations that make estimated tax payments by EFT should not submit Form 120ES.*

S corporations making estimated payments for 2021 who expect a 2021 income tax liability of less than \$500 may pay by check, e-check, money order, credit card, or they may elect to participate in EFT. See the Section, *Payment of Tax Liability by Electronic Funds Transfer* on page 4 for additional information. If paying by check or money order, complete Form 120ES and include the check or money order with the form.

Is the S corporation subject to the Estimated Underpayment Penalty for the 2020 taxable year?

See the instructions for Form 220.

Penalties and Interest

NOTE: *If more than one of the penalties described in A, B, or C apply, the maximum combined penalty is 25%.*

A. Late Filing Penalty

Without a valid federal or Arizona extension, a return filed after the original due date is subject to the late filing penalty. A return filed after its extended due date is also subject to the late filing penalty. The late filing penalty is 4.5% (.045) of the amount of tax required to be shown on the return. The penalty period is each month or fraction of a month between

the due date of the return and the date the taxpayer filed the return. The maximum penalty is 25% of the tax found to be remaining due.

B. Extension Underpayment Penalty

The S corporation must pay 90% of the tax liability reported on its return by the original due date of the return. If it does not, the extension underpayment penalty is charged on any late or underpaid extension payments. The extension underpayment penalty is 0.5% (.005) of the tax not paid for each 30-day period or fraction of a 30-day period between the original due date and the date the tax is paid. The maximum penalty is 25% of the unpaid tax. Taxpayers subject to the extension underpayment penalty are not subject to the late payment penalty described in C below.

C. Late Payment Penalty

The late payment penalty is charged on any amount shown as tax on a return that is not paid by the due date. The late payment penalty is 0.5% (.005) of the unpaid tax for each month or fraction of a month that the tax remains unpaid, not to exceed 10% of the unpaid tax.

NOTE Amended Return Filers: *If you voluntarily file an amended return and pay the additional tax due when you file your amended return, the department will not assess the late payment penalty. Exceptions are:*

- *The taxpayer is under audit by the department.*
- *The amended return was filed on demand or request by the department.*

Refer to the department's ruling, CTR 09-1, *When do Penalties Apply to an Income Tax Return Filed Under an Extension*, regarding the application of penalties to returns filed under extension.

D. Information Return Penalty

This form is an information return when no tax liability is due. The penalty for failing to file, filing late (including extensions), or filing an incomplete information return is \$100 for each month, or fraction of a month, that the failure continues, up to a maximum penalty of \$500.

E. Interest

The department charges interest on any portion of the tax not paid by the due date. The department compounds interest annually and applies it in the same manner and at the same time as prescribed by the IRS. The Arizona rate of interest for both underpayments and overpayments *for all taxpayers* is the federal underpayment rate.

On January 1 of each year, the department adds any interest outstanding as of that date to the principal amount of the tax. It is then a part of the principal amount of the tax and accrues interest until paid.

F. Underpayment of Estimated Tax Penalty

The department imposes the underpayment of estimated tax penalty on any late payment or underpayment of a required installment of estimated tax. Refer to Form 220, *Underpayment of Estimated Tax by Corporations*, for further details.

- The S corporation must complete Form 220: if it made its estimated tax payments based on either the annualized income installment or adjusted seasonal installment methods,

or if it is a large corporation that computed its first required installment based on the S corporation's tax liability for the prior taxable year. This is required even if no penalty is due.

- The S corporation does not have to complete Form 220 if the S corporation made its estimated tax payments in four equal installments based on an amount equal to either 90% of the current taxable year's tax liability or 100% of the prior year's tax liability. "Tax liability" means the liability reduced by any refundable tax credits and the claim of right adjustment, if applicable.

The department will compute the estimated tax underpayment penalty based on either of these methods and notify the S corporation of any amount due.

Arizona Apportionment Methods

There are three apportionment methods for multistate S corporation income tax returns filed to Arizona: (1) air carrier apportionment; (2) standard apportionment; and (3) sales factor only apportionment.

Air carriers are required to use revenue miles. All other taxpayers may select either the standard or the sales factor only apportionment method.

1. Air Carrier Apportionment

An air carrier is required to use revenue miles to calculate its apportionment ratio. Check Box 1 on line A of page 1, complete Schedule ACA, and include it with your return. Do not complete Schedule A.

2. Standard Apportionment

All non-air carrier taxpayers are allowed to continue to use Arizona's standard apportionment formula, which double-weights the sales factor. Check Box 2 on line A of page 1 and complete Schedule A using the number on the left-hand side of line A3e, column A, to double-weight the sales factor. Divide the total ratio by four.

3. Sales Factor Only Apportionment

All non-air carrier taxpayers may use Arizona's sales factor only apportionment formula, which is determined by dividing Arizona Sales by Everywhere Sales. Check Box 3 on line A of page 1, complete Schedule A, Section A3, "Sales Factor", lines a through f.

The department will compute the underpayment of estimated tax penalty based on this method and notify the S corporation of any amount due. If the S corporation elects to have the department compute the penalty, do not check box 25A or enter an amount on line 25.

The S corporation MUST COMPLETE Form 220, even though no penalty is due, if it made its estimated tax payments based on any of the following methods:

- An amount, paid in four equal installments, that is equal to the sum of:
 - Ninety percent of the portion of the current taxable year's Arizona tax liability that is attributable to built-in gains income or certain capital gains income; plus

Schedule A – Apportionment of Income (Multistate S corporations Only)
--

A.R.S. §§ 43-1131 through 43-1150 govern the apportionment of income. An S corporation that engages in activities both within and without Arizona must apportion its business income based on property, payroll, and sales in Arizona as compared with everywhere. "Everywhere" means the property, payroll, and sales factors related to the whole business.

NON-APPORTIONABLE INCOME

Apportionment factors generating non-apportionable or non-taxable (i.e. U.S. Interest) income are not to be included in the calculation of the apportionment ratio.

ADMINISTRATIVE RELIEF REQUESTS

A.R.S. § 43-1148 provides administrative relief if the allocation and apportionment provisions of UDITPA do not fairly represent the extent of the taxpayer's business activity in this state. The taxpayer may petition for or the department may require, in respect to all or any part of the taxpayer's business activity, if reasonable:

- Separate accounting, except with respect to an Arizona affiliated group, as defined in A.R.S. § 43-947.
- The exclusion of any one or more of the factors.

- The inclusion of one or more additional factors which will fairly represent the taxpayer's business activity in this state.
- The employment of any other method to effectuate an equitable allocation and apportionment of the taxpayer's income, other than disallowance of a properly elected consolidated return.

This section permits a departure from the allocation and apportionment provisions only in limited cases. A.R.S. § 43-1148 may be invoked only if unusual fact situations produce incongruous results under the apportionment and allocation provisions. Taxpayers seeking such relief should submit a letter to the Corporate Income Tax Audit Section 60 days prior to the filing of the return setting forth the relief that is requested and the justification for the relief.

The department normally makes such determinations only upon audit of the taxpayer. Such a detailed examination of the specific facts and circumstances reveals whether such unusual fact situations and incongruous results exist.

COMPUTING THE APPORTIONMENT RATIO

When computing the factors of the apportionment ratio, carry the result out to six places after the decimal. If the seventh place after the decimal is five or more, round the sixth decimal place up to the next higher digit. If the seventh place after the decimal is less than five, leave the sixth place decimal as it is.

Example #1:

Arizona Amount	<u>123,456</u>
Everywhere Amount	789,654
Factor	.1563418

The seventh digit after the decimal is "8". Since "8" is greater than "5," the sixth digit after the decimal is increased to the next higher digit, "2".

The factor rounded to six decimal places is .156342.

Example #2:

Total Ratio	<u>.179865</u>
Divided by	4
Apportionment Ratio	.0449662

The seventh digit after the decimal is "2". Since "2" is less than "5," the sixth digit after the decimal remains "6". No increase to the sixth digit after the decimal is made.

The apportionment ratio rounded to six decimal places is .044966.

Schedule ACA - Air Carrier Apportionment (Multistate S corporation Air Carriers Only)
--

A.R.S. § 43-1139(B) requires a taxpayer that is a qualifying air carrier to use revenue miles to apportion its business income to Arizona. The taxpayer must be engaged in air commerce. "Air commerce" means transporting persons or property for hire by aircraft in interstate, intrastate or international transportation. The taxpayer must complete Schedule ACA. Schedule ACA is available on the department's website. Check Box 1 on line A of Form 120S. Do not complete Schedule A.

**NON-AIR CARRIER APPORTIONMENT FORMULA
(MULTISTATE S CORPORATIONS ONLY)**

Non-air carrier multistate S corporations have the opportunity to choose one of two apportionment formulas for calculating the apportionment ratio:

- The sales factor only apportionment formula; or
- The standard apportionment formula.

Check the box on line A of page 1 of the return to indicate which apportionment formula, "STANDARD" or "SALES FACTOR ONLY," will be used to calculate the apportionment ratio on the S corporation's return. Whichever apportionment method is indicated on line A of page 1, the taxpayer must complete the apportionment ratio using that formula. (The taxpayer cannot use "Standard" to calculate one factor of the ratio, and "SALES FACTOR ONLY" to calculate another factor of the ratio.)

For the standard apportionment ratio, the numerator of the fraction of the standard apportionment formula is the property factor plus the payroll factor plus two times the sales factor. The denominator of the fraction is four. Use the numbers located on the left-hand side of Schedule A, column A, to weight the property, payroll, and sales factors respectively.

For taxable years beginning after December 31, 2016, Sales Factor Only Apportionment replaced the enhanced apportionment ratio. The numerator is Arizona sales. The denominator is Everywhere sales. The property factor and the payroll factor are not included in this computation.

Taxpayers apportioning income or (loss) must complete lines 5 through 10 on page 1.

Line A1 - Property Factor – Standard Apportionment

Taxpayers electing "SALES FACTOR ONLY APPORTIONMENT" – leave blank.

The Property Factor is a fraction that represents the average value of the taxpayer's property owned or rented and used in Arizona to the total average value of the taxpayer's property owned or rented and used during the tax period.

The value of tangible personal property and real property owned by the taxpayer is its original cost. The taxpayer normally determines the average value of its owned property by averaging the values at the beginning and ending of the tax period. Property used to generate non-apportionable or non-taxable income is not included in the property factor.

The value of tangible personal property and real property rented by the taxpayer is eight (8) times its net annual rental rate. The net annual rental rate is the annual rental rate paid by the taxpayer for rented property, less the aggregate annual subrental rates paid by subtenants of the taxpayer. The taxpayer automatically achieves averaging for rented property by the method of determining the net annual rental rate of such property.

For a discussion of the treatment of computer software in the property factor, refer to the department's ruling, CTR 01-2, *How Does a Taxpayer Filing an Arizona Corporate Income Tax Return Determine Whether Computer Software is Included in the Property Factor*.

Report real property situated and tangible personal property permanently located in Arizona as property within Arizona.

Attribute the value of mobile property to Arizona based on the total time that the property was within Arizona.

Taxpayers Electing "STANDARD APPORTIONMENT"

Divide the numerator of the property factor by the denominator. Express the ratio as a decimal carried out to six places. (The property factor may not exceed 1.0.) Enter the result on line A1c, Column C.

Taxpayers Electing "SALES FACTOR ONLY APPORTIONMENT," leave lines A1a through A1c, Columns A through C, blank

For additional information on the property factor, refer to:

A.R.S. §§ 43-1140 through 43-1142

CTR 01-2, *How Does a Taxpayer Filing an Arizona Corporate Income Tax Return Determine Whether Computer Software is Included in the Property Factor*

Line A2 - Payroll Factor – Standard Apportionment

Taxpayers electing "SALES FACTOR ONLY APPORTIONMENT" – leave blank.

The Payroll Factor is a fraction that represents the compensation paid in Arizona by the taxpayer to the total compensation paid by the taxpayer during the tax period.

Report the salaries, wages, or other compensation of officers, employees, etc., as within Arizona if the performance of their services occurs entirely in Arizona. This rule applies regardless of where payment is made or control exercised. This rule also applies regardless of whether the performance of the services is partly or wholly in connection with the apportionable business carried on outside the state or in interstate or foreign commerce. Payroll used to generate non-apportionable or non-taxable income is not included in the payroll factor.

Allocate the compensation of officers and employees who perform services partly within and partly without Arizona to this state when:

- The services performed outside of Arizona are incidental to the employee's service within Arizona; or
- The employee's base of operation is in Arizona; or
- The employee has no base of operation in any state but the direction or control of the employee is from Arizona; or
- The employee has no base of operation in any state, and there is no direction or control from a state in which the employee performs some part of his services, but the employee's residence is in Arizona.

Taxpayers Electing "STANDARD APPORTIONMENT"

Divide the numerator of the payroll factor by the denominator. Express the ratio as a decimal carried out to six (6) places. (The payroll factor may not exceed 1.0.) Enter the result on line A2, Column C.

Taxpayers Electing "SALES FACTOR ONLY APPORTIONMENT," leave line A2, Columns A through C, blank.

For additional information on the payroll factor, refer to:

A.R.S. §§ 43-1143, 43-1144

A.A.C. R15-2D-701 through R15-2D-705

Line A3 - Sales Factor

The Sales Factor is a fraction that represents the total sales of the taxpayer in Arizona to the total sales of the taxpayer during the tax period.

"Sales" includes all gross receipts from transactions and activities in the course of the regular trade or business that produce income. Gross receipts from non-apportionable or non-taxable income are not included in the sales factor.

Sales of tangible personal property are sourced on a destination sales basis. Sales of real property is determined based on the location of the property. Generally, sales of other than tangible personal property is determined based on the location where the income producing activity occurs. Service income is determined based on the location of the income producing activity, *unless* the taxpayer elected to be treated as a Multistate Service Provider (MSP). (See the box below for a description of an MSP.)

TAXPAYERS THAT QUALIFY AS MULTISTATE SERVICE PROVIDERS ELECTING TO SOURCE SALES FROM SERVICES OR SALES FROM INTANGIBLES TO ARIZONA USING MARKET SALES

Taxpayers that qualify as a MSP may elect to treat sales from services or sales derived from credit and charge card receivables, including fees, merchant discounts, interchanges, interest and related revenue (intangibles) as being sourced to Arizona based on market sales.

(NOTE: the sale of any other intangible may not be included in the calculation of this election.)

Multistate taxpayers complete Schedule MSP to determine if they qualify as a MSP. If the taxpayer qualifies, and wishes to make the election, the completed Schedule MSP must be included with the taxpayer's original, timely-filed tax return. (The election to be treated as a MSP **cannot** be made on an amended return.) Once made, the election is binding for five years. For each year of the election period, Schedule MSP must be completed by the taxpayer to source sales from services or sales from intangibles to Arizona. Once Schedule MSP is completed, the taxpayer can compute the sales factor.

Taxpayers that qualify, and who want to make the election, should:

- Ensure the completed Schedule MSP is included with the return.
- Ensure the box on line B of the return is checked.
- Ensure the box indicating the year of the election cycle is checked.
- Enter on line A3b, column A, the Arizona sales from services or sales from intangibles from the completed Schedule MSP, line B.
- Complete the calculation of the sales factor following the instructions for the taxpayer's choice of the "STANDARD" or "SALES FACTOR ONLY" apportionment formula.

Taxpayers qualifying as an MSP, and electing to be treated as an MSP:

Enter the Arizona sales from services or sales from intangibles on line A3b from the completed Schedule MSP, line B.

Taxpayers not making the election to be treated as an MSP:

- Leave line A3b blank.
- Enter Arizona sales from services on line A3c.

Taxpayers Electing "STANDARD APPORTIONMENT"

- Check the box labeled "STANDARD" on line A of the return.
- Multiply the numerator of the sales factor by two. Divide that result by the denominator. Express the ratio as a decimal carried out to six places. (The sales factor may not exceed 2.0.) Enter the result on line A3f, Column C.

Taxpayers Electing "SALES FACTOR ONLY APPORTIONMENT"

- Check the box labeled "SALES FACTOR ONLY" on line A of the return.
- Divide the numerator (Arizona sales) by the denominator (Everywhere sales). Express the ratio as a decimal carried out to six places. (The sales factor may not exceed 1.0.) Enter the result on line A3f, Column C. Also enter the result on page 1, line 7.

For more information on the sales factor, refer to:

A.R.S. §§ 43-1145 through 43-1147

CTR 07-1, *Inclusion of Short Term Investments in the Sales Factor*

Line A4 - Total Ratio

Taxpayers Electing "STANDARD APPORTIONMENT"

Add the amounts in Column C of lines A1c, A2, and A3f and enter the total.

Taxpayers Electing "SALES FACTOR ONLY APPORTIONMENT," leave this line blank.

Line A5 - Average Apportionment Ratio

NOTE: Taxpayers must exclude a factor if both the numerator and the denominator of a factor are zero. Do not exclude a factor if the numerator of the factor is zero and the denominator of a factor is greater than zero. See A.A.C. R15-2D-901(B).

Taxpayers Electing "STANDARD APPORTIONMENT"

If either the property factor or the payroll factor is excluded, determine the average ratio by dividing the total ratio by three. If the sales factor is excluded, determine the average ratio by dividing the total ratio by two. If two of the factors are excluded, the remaining factor, without respect to any weighting, is the apportionment ratio.

Taxpayers Electing "STANDARD APPORTIONMENT"

Divide the total ratio, line A4, column C, by four (4). Express the ratio as a decimal carried out to six (6) places. Enter the ratio. Also, enter the ratio on page 1, line 7.

Taxpayers Electing “SALES FACTOR ONLY APPORTIONMENT”, leave this line blank.

NOTE: If line A5 is “0.000000”, the S corporation is considered to have no Arizona nexus.

If line A5 is blank, the S corporation’s income is considered to be sourced entirely within Arizona.

2020 Arizona S corporation Income Tax Return

Worksheet Instructions

Purpose of the Worksheet

A subtraction is available for a percentage of any net long-term capital gain that is from an investment in an asset acquired after December 31, 2011, and included in an individual taxpayer's federal adjusted gross income or the federal taxable income of an estate or trust.

To take the allowable subtraction, the taxpayer must know whether the capital gain (loss) is considered short-term or long-term. Only the net long-term capital gain from assets acquired after December 31, 2011, is used to compute the allowable subtraction. For more information about determining whether a gain (loss) is short-term or long-term, see federal *Publication 544* at www.irs.gov.

NOTE: *If you cannot verify that the capital gain is from the sale of an asset acquired after December 31, 2011, then the capital gain should be treated as a capital gain asset acquired before January 1, 2012.*

An asset acquired by gift or inheritance is considered acquired on the date it was acquired by the gift-giver or the deceased individual.
