

Form 140NR Schedule A(NR) Itemized Deductions

For Nonresidents Only

Before you complete this form, you must complete a federal Form 1040, Schedule A.

You must attach the federal Form 1040, Schedule A, to this form.

The itemized deductions allowed for Arizona purposes are those itemized deductions that are allowable under the Internal Revenue Code. As an Arizona nonresident, you must prorate these deductions by the percentage which your Arizona gross income is to your federal adjusted gross income.

In some cases, the amount allowed for medical and dental expenses, mortgage interest, gambling losses, property taxes, and charitable contributions may be different for Arizona purposes than for federal purposes. You must complete lines 1 through 14 if any of the following apply.

1. You are deducting medical and dental expenses.
2. You are claiming a federal credit (from federal Form 8396) for interest paid on mortgage credit certificates.
3. You are deducting gambling losses while claiming a subtraction for Arizona lottery winnings.
4. You are claiming the credit for property taxes paid by a qualified defense contractor.
5. You are claiming a credit for a charitable contribution for which you are also taking a credit under Arizona law.

If any of the above items apply, complete lines 1 through 14 as instructed below.
