How do I initiate or adjust Arizona voluntary withholding?

You may initiate or adjust Arizona voluntary withholding by executing and providing Form A-4P or its electronic equivalent to the payor of your annuity or pension, or your retirement account administrator. Do not mail or email Form A-4P to the Arizona Department of Revenue.

Duration of Voluntary Arizona Withholding Election

The payor of your pension or annuity or retirement account administrator will withhold Arizona income tax from your payments or retirement distributions until you notify the payor or retirement administrator to change or terminate Arizona withholding.

How to Terminate a Voluntary Arizona Withholding Election

You may terminate your voluntary Arizona withholding election at any time. A request to terminate Arizona voluntary withholding should be provided to the payor of the pension or annuity or to the retirement administrator in writing by either paper or electronic means on either Form A-4P or its electronic equivalent.

Statement of Income Tax Withheld

The payor of your pension or annuity or your retirement account administrator will provide you with a statement listing the total amount of your pension or annuity payments or retirement account distributions and the total amount of Arizona income tax withheld from these payments for the calendar year 2024. You will receive this statement from the payor of your pension or annuity or retirement account administrator early in 2025.
